NYS Law mandates that all hearing aid candidates must be given a copy of their audiogram at the time of their appointment.

Please check one and sign below:

- I **WANT** to receive a copy of my audiogram as outlined by the law of NYS
- I **DO NOT WANT** to receive a copy of my audiogram at this time. I know that Audiologic Solutions is mandated to hold onto my records for six years. I may obtain my audiogram at no charge between now and six years from now.
